# Two methods to size your ring

## Method 1.

1. Print this page and cut out the Ring Sizer shown above. Cut a small slit next to the arrow.
2. Place the Ring Sizer around your finger, then slip the pointed end through slit with the numbers facing out.
3. Tighten the Ring Sizer by pulling the pointed end toward your finger. The fit should be snug but comfortable
4. Simply read the number pointed to by the arrow next to "Read Size Here".

Note: Uncheck all "scale to fit page" checkboxes when printing.

## Method 2.

To measure your finger using the reference chart below:

1. Wrap a string around your finger.
2. Find the length of string that wraps around your finger exactly one time.
3. Measure that length of string against the closest circumference below.
